About Me

I am an enthusiastic and dedicated leader who is constantly seeking to understand the intricacies of what, why, and how things work. My objective is to establish an environment that fosters high employee morale while prioritizing safety and compliance. I have the ability to create a welcoming atmosphere while effectively guiding and motivating employees to successfully accomplish demanding and crucial tasks. I am always prepared to undertake any necessary assignment in order to ensure the prosperity of the company. As a meticulous worker, I find value in paying attention to the smallest details. When devising innovative solutions, I always prioritize efficiency and effectiveness.

Professional Experience

Columbus Zoo & Aquarium | *AV Technician/Lighting Designer*

June 2021 – Present

- Set up, operate, and maintain equipment for a variety of events throughout several venues in the park
- Troubleshoot and resolve hardware and software issues
- Maintain organization and safe transportation of a large quantity of audio and video equipment
- Work with group sales and marketing, as well as directly with clients to determine and execute events' needs
- Regularly collaborate with rides/aquatics, animal programs, education and other internal teams to ensure all needs are met
- Directly responsible for designing LED shows for attractions and main entrance

Olentangy High School | *Assistant Band Director, Sound Engineer and Percussion Caption Head*

August 2018 – June 2022

- Provided student musicians with the world-class knowledge that I acquired during my time at Matrix Performing Arts
- Heavy emphasis on teamwork, giving the students individual responsibilities that merge to accomplish a common goal within a competitive setting
- Designed sound as well as managed/maintained audio equipment and instruments

Matrix Performing Arts | *Performer, Section Leader, and Ensemble Leader*

October 2016 – June 2022

- Consistent practice, and upkeep of skills for a designed show, musically, visually and physically
- Led and set the standard for a section of 13 other musicians
